B RICKLATTERS P. B. UNION, SEPT. 15th

—It is resolved, That on and after the 1st Sept., no man who has not given his services to the union, or employers who have not given him work for his services, shall be legally independent of the union. That any man now seen at the trade, who has not given his services to the union, or been credited with the dues they have spent at the time he received them, shall be considered a traitor to the union. That any man who has given his services to the union, who will bring satisfactory evidence to the union, that he has been in the service of the late war commanded, and has since been in the service of the same, shall be entitled to a pension. And it is further resolved, That any man now seen at the trade, who has not given his services to the union, or been credited with the dues they have spent at the time he received them, shall be considered a traitor to the union. **—369**
